

Product specification

<p>Etched Vinyl 10"</p> <p>Graphic motif reaching to centerhole</p>	<p>Graphic: B/W oder grayscale</p> <p>Line thickness: > 0,1 mm</p> <p>File: PDF EPS (vector) Tiff (up to 500 dpi) Bitmap (up to 1200 dpi)</p>	<p>Note:</p> <p>The motif cannot be centered on the record. We will use our black labels. Do not create a center hole in your design. The black label may be scratched due to technical reasons - parts of the design maybe blurred. On dark vinyl you can see the details better than on bright vinyl.</p>
