

2 pages | outer side - with front and back page : pdf page 1 | open format: 144 x 312 mm - without bleed  
 inner side: pdf page 2 | 150 x 318 mm - with bleed

All pages must be combined in one PDF file.

Please note: All data needs to be created according to the **General Print Specifications**.

Please design the PDF - in document format plus bleed with crop marks (must be outside the print motif including bleed).

Please remove the template from the print file before handing in the artwork.

The printing motif should be in the centre of the document. The document size should be the motif with bleed.

**!!! Use the templates on page 2 - the grooves must remain !!!**
